1. Nuclear winter and
2. People? Too many! The

acid rain! This world is going down the drain!

world is lost! Oh, what a horror! Oh, what cost!

Fiscal meltdown! The perfect storm! Each crisis will come with

Crisis

threatening!

frightening!
Some Club of Rome that limits growth? A

credit collapse? Or maybe both? Rearrange the deck chairs on a

sinking ship? 'Cause a crisis is so hot and yet very hip!

Crisis!
Cry Sis! Cry_ bro_ ther!_ Cry

out! Cry_ loud!_ Cry_ wild_ and hot_ with the cry_ ing_ crowd!

Crisis!

Crash-es are com_ ing! The end time nears! One of these
things should stir your fears! Grab your crying towel and weep!

Apo-calyse comes! Come shed those tears!

Cry Sis! Cry brother! Cry out! Cry loud! Cry wild

and hot with the crying crowd!
